SUMMARY OF A TELEPHONIC INTERVIEW

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A telephonic interview was conducted in this application on 3 June 2004; an Interview Summary provided by the Examiner was mailed by the Office, along with a Notice of Allowance on 15 June 2004.

Applicants believe that the Interview Summary provided by the Examiner is accurate and complete. The amendments to the claims agreed to at the interview are attached to the Notice of Allowability; no substantive arguments were presented; rather, the claims were discussed to

correct the dependency of claim 62 and also minor additional amendments to claim 49 to improve the specificity of its wording. The result of this discussion is reflected in the Examiner's Amendment to the claims.

Further, Applicants believe the Examiner's amendment to the specification properly reflects the correction of Sequence data present in the figures and which was submitted in a substitute sequence and CFR.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket No. 532572000104.

Respectfully submitted,

Dated: 6/22, 2004
